Subject: Application for Front-End Developer Internship

Email Body:

Respected Amrit Sir,

I hope you are doing well.  
My name is Amita Mandal, and I am currently pursuing a B.Tech in Computer Science Engineering at Rungta International Skill University, Bhiwani. I am writing to express my interest in a Front-End Developer internship at Vipro Limited, Bangalore.

I have a strong interest in web development and a growing foundation in HTML, CSS, and JavaScript. I enjoy learning new technologies and am eager to apply my academic knowledge to real-world projects. I believe an internship at Vipro would be an excellent opportunity to enhance my technical skills and contribute to your innovative projects.

I have attached my resume for your review. I would be grateful for the opportunity to discuss how I can add value to your team.

Thank you for your time and consideration. I look forward to hearing from you.

Best regards,  
Amita Mandal
